Whereas in 1955 it was deemed advisable to establish the boundaries of the forest reserve on the ground and a survey was carried out under the instructions of the Surveyor-General:

Whereas in carrying out the survey it was deemed advisable to extend the boundaries of the forest reserve easterly and westerly, and the said forest reserve was surveyed as Lot 9999 and that part of the Fractional East Half of Lot 2685 situated south of Aleza Lake, all in the Cariboo Land District:

Whereas in 1958 a survey was carried out of part of said Lot 9999, at the expense of the Canadian National Railway, when an additional right-of-way was required in connection with the relocation of their tracks. This additional right-of-way, containing 0.952 acre, is shown on Plan CG 453, deposited in the Land Registry Office, Kamloops, B.C., and on Plan 4, Tube 489, deposited in the office of the Surveyor-General:

Whereas it is now considered advisable to redefine the boundaries of the forest reserve to include the additional areas on the easterly and westerly boundaries and to exclude Plan CG 453:

And whereas our Lieutenant-Governor, by and with the advice of the Executive Council, has been pleased to direct by Order in Council in that behalf, that pursuant to the provisions of the "Forest Act" and all other powers thereto enabling, that the boundaries of the Aleza Lake Forest Reserve as previously designated be cancelled and that a Proclamation be issued establishing that part of the Fractional East Half of Lot 2685 situated south of Aleza Lake and Lot 9999, except Plan CG 453, Cariboo Land District, containing 19,666 acres, as the Aleza Lake Forest Reserve:

Now know ye that We do by these presents proclaim and declare that the boundaries of the Aleza Lake Forest Reserve as previously designated be cancelled and that part of the Fractional Half of Lot 2685 situated south of Aleza Lake and Lot 9999, except Plan CG 453, Cariboo Land District, containing 19,666 acres, be established as the Aleza Lake Forest Reserve.

“GRAZING ACT”

Grazing Regulation

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that, pursuant to the provisions of the “Grazing Act,” the following regulation be approved:—

Division (1).—Application

1.01 This regulation applies to the Crown range and commons within every grazing district constituted under the “Grazing Act.”

Division (2).—Administration

2.01 For the purpose of making the best possible use of a Crown range in the promotion of live-stock raising, the Minister of Lands and Forests may, in his discretion,

- (a) apportion the Crown range between the users or groups of users thereof;
- (b) determine the class or classes of animals and the number thereof which may be depastured on the Crown range or any part thereof;
- (c) establish grazing periods for the Crown range or any part thereof, and from time to time close the range or any part thereof and prohibit the depasturing of animals thereon;
- (d) divide the Crown range into areas for the purpose of the separate or exclusive administration and use of any area in co-operation with an approved live-stock association or otherwise;
- (e) provide for the issuance of grazing permits, and prescribe the form and conditions thereof;
- (f) assign to any officer of the Forest Service of the Department of Lands and Forests such duties as may be considered necessary for the proper administration of the Crown range;
- (g) delegate to any approved live-stock association such powers as are necessary or convenient for the effectual protection, management, and improvement of the Crown range or any part thereof;
- (h) provide for the granting of permits to cut wild or natural hay on the meadows on any Crown range, and prescribe the form and conditions thereof;

- (i) expend such public moneys for the improvement of the Crown range as may be appropriated for that purpose.

2.02 Any order made by the Minister pursuant to this section 2.01 may be varied or rescinded by Order of the Lieutenant-Governor in Council.

Division (3).—Grazing Permits

3.01 Any person desiring to use the Crown range for grazing purposes in any year may make application to an officer of the Forest Service of the Department of Lands and Forests for a grazing permit entitling him to depasture animals thereon, subject to the provisions of the "Grazing Act" and this regulation and the terms and conditions of the grazing permit. Every person claiming priority under the provisions of section 8 of the "Grazing Act" in the granting of grazing permits shall file his application for a grazing permit with the Forest Service not later than the first day of March in each year, and shall state in the application the ground on which he claims priority.

3.02 Where an application for a grazing permit is approved by an approving officer of the Forest Service, he may require the applicant to give at least ten days' notice by mail or otherwise to the nearest officer of the Forest Service before proceeding to depasture any animal on the Crown range under the permit. When so directed by an officer of the Forest Service, the applicant or the holder of a grazing permit shall make satisfactory provision for having all his animals counted by an officer of the Forest Service either before or after they are turned out on the range, and the issuance of the grazing permit may be withheld until such provision for a count is made.

3.03 Where the grazing conditions in respect of the use of any Crown range have become sufficiently settled to the satisfaction of the Minister of Lands and Forests, he may in his discretion authorize the issuance of grazing permits for terms not exceeding ten years, subject to the payment each year of grazing fees at the prescribed rates in respect of the total number of animals covered by the permit, and no reduction of fees shall be made for any decrease in the number of animals depastured by the holder of the permit, unless the decrease is occasioned by circumstances satisfactory to the Minister and the reduction is approved by him in writing. Any increase in the number of animals depastured by the holder, if approved by the Minister, may be covered by annual grazing permits or by a special permit for the balance of the term covered by the original permit.

3.04 Except in the case of free or partially free grazing permits issued pursuant to section 9 of the "Grazing Act" or pursuant to Division (6) of this regulation and special permits issued under section 3.09 of this Division, the holder of every grazing permit shall pay to the Minister of Lands and Forests in respect of the permit and the depasturing of animals thereunder fees at rates calculated as follows:—

- (a) The base and minimum fee for cattle is five cents per head per month and for sheep one and one-quarter cents per head per month:
- (b) The actual rate charged in each year shall have the same ratio to the basic fee that the average price received by producers for the immediately preceding year has to the corresponding average price for the year 1939:

- (c) The prices to be used under clause (b) shall be the yearly weighted average prices of total sales on Vancouver stockyards for cattle and sheep respectively, as the same are published in the Annual Market Review by the Marketing Service of the Department of Agriculture of the Dominion of Canada by authority of the Minister of Agriculture:

- (d) The rate for horses is one and one-quarter times the rate as determined above for cattle each year:
- (e) Rates are calculated to the nearest cent per head per month for cattle and the nearest one-quarter cent for sheep and horses.

3.05 All fees are payable upon the issuance of the grazing permit, and if not paid on or before the thirtieth day of November of the year in which they are payable, interest on the amount thereof at the rate of four and one-half per centum per annum from that date until paid shall be added thereto and forms part of the fees payable in respect of the grazing permit, but where grazing fees payable by any person do not exceed ten dollars for each year, no interest is payable in respect of such fees.

3.06 No reduction or rebate in fees is made unless in the opinion of the Minister of Lands and Forests the holder of the permit is prevented from depasturing cattle pursuant to the permit by circumstances beyond his control, nor unless application for the reduction or rebate is made immediately after such circumstances have arisen.

3.07 Fees are not payable in respect of animals under six months old at the time they are turned on the range which are the natural increase of animals depastured thereon in respect of which fees are payable.

3.08 In co-operating with a live-stock association approved in respect of any Crown range or area pursuant to this regulation, a condition may be inserted in all grazing permits or hay-cutting permits issued in respect of that range or area, whether to members of the live-stock association or to other persons, that the holder pay to the live-stock association all dues and assessments imposed on or demanded from the holder as a member of the live-stock association, or similar dues and assessments to those which may be imposed on or demanded by the live-stock association from its members, as the case may be, for the purpose of meeting expenditures made by the live-stock association in the protection, management, or improvement of the range or area for the common benefit of all the users thereof.

3.09 Special permits may be issued by an officer of the Forest Service to authorize the driving or crossing of animals over any Crown range during such periods and subject to such conditions as are stated in the permits.

3.10 Grazing permits are for the exclusive use and benefit of the owner of the animals covered by the permit, and are not transferable in any manner. Every grazing permit is subject to cancellation where the holder has disposed of his business of live-stock raising, or has ceased to depasture animals thereunder, but where the holder has sold his animals or part of them to a person engaged in the business of live-stock raising, the holder may with the consent of the Minister of Lands and Forests surrender his permit for the purpose of procuring in substitution therefor a grazing permit in the name of

the purchaser or separate grazing permits in the names of the purchaser and the former holder as the circumstances may warrant.

3.11 The Minister of Lands and Forests may order the revocation of any grazing permit in whole or in part for any violation of the terms or conditions of the permit or of any provision of this regulation, or any direction or requirement given or made thereunder.

4.03 Permits to cut hay are not transferable and are granted for the exclusive use and benefit of the permittee.

Division (5).—Live-stock Associations

5.01 Where a majority in number of the persons using any Crown range or area thereof have become incorporated into a live-stock association for the purpose of protecting or improving grazing ranges or live stock, upon the application of the association in a manner satisfactory to the Minister of Lands and Forests, he may by certificate in writing designate that association as an approved live-stock association in respect of the Crown range or area mentioned in the certificate; and thereafter the advisory committee of the approved association shall be consulted in the framing of special conditions pertaining to the use of that Crown range or area.

5.02 The executive officers of the approved live-stock association, or such members of the association as they may appoint, shall constitute an advisory committee for the purpose of consultation in the framing of special conditions, and for co-operating with the officers of the Department of Lands and Forests in the enforcement and carrying into effect of all regulations and conditions applicable to the Crown range or area in respect of which the association was approved.

Division (6).—Unfenced Private Lands

6.01 The Minister of Lands and Forests may enter into administrative arrangements with the owner or lessee of unfenced privately owned lands adjoining any Crown range for the depasturing in common of those lands and the Crown range, and for the granting to him of a free or partially free grazing permit for the depasturing of his animals on the Crown range, subject to the special condition that during the term of the permit the animals of other persons lawfully depastured on the Crown range are allowed to run in common over the adjoining unfenced privately owned lands aforesaid.

Division (7).—Offences and Penalties

- (f) cut wild or natural hay on the meadows of any Crown range without having received a permit therefor, as provided under section 2.01 (h) of this regulation;
- (g) neglect or fail to comply with any term or condition of a hay-cutting permit held by him;
- (h) sell, barter, or deal in hay cut or produced from Crown range.

7.02 Every person who contravenes any provision of this regulation is guilty of an offence and liable, on summary conviction, to a penalty not exceeding fifty dollars.
